

VIA LUCEM CONTINENS - TIME WALK

LUKASZ SKAPSKI

This artist's book accompanies Lukasz Skapski's Stour Valley Art Project Commission *Via Lucem Continens - Time Walk*, in King's Wood, Challock, Kent. Skapski discusses the development of the commission – a long, slow growing avenue of yew trees, planted on 12 February 2000, and aligned to the summer solstice of this millennium year. The book is printed on special archival paper that will ensure its longevity in line with, although no doubt not as long as, the life of the yew trees of the time walk.
