

Call for volunteers

Abandon Normal Devices this October!

– It's time for you to get involved

Abandon Normal Devices (AND) returns this October in Manchester.

Cornerhouse is producing this year's programme and the team is searching for enthusiastic volunteers from all backgrounds. If you're keen on getting involved to support us during the run-up and delivery of the festival, have some spare time in mid Sept/ early Oct and love the buzz of festivals then we'd love to hear from you!

We're recruiting film and digital art lovers with a confident, outgoing and overall friendly manner to join our team. The roles available for volunteers include: stewarding, ushering, information assistance, festival promotion, supporting the recording and documentation of events, helping with install and de-install of artworks, assisting with set-up and clearing of events, and carrying out market research.

Volunteering is an excellent and fun way to meet new people, gain new skills, share your skills and experience, gain insights into the industry and enhance your CV.

We welcome applications from the region!

If this sounds like an opportunity you've been waiting for then please download an application form from our website www.andfestival.org.uk and send your details to hello@andfestival.org.uk, or snail-mail to:
